☒ Examiner's Statement of Reasons for Allowance

Art Unit: 2778

### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: As pointed out by the applicant in the response filed on 5/24/99, certain key features of the claimed invention are not taught or fairly suggested by the prior art. Specifically, Donovan's does not show or suggest that different formats could be used to store data to the line memories and to process the data in the ALUs in the manner described in the application. Because none of the prior art teaches or suggests this element, this feature, taken together with the other limitations of the claims, renders the claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to David L. Lewis whose telephone number is (703) 306-3026.
